

ENVIRONMENTAL CODE OF CONDUCT

TO BE RESPECTED WHEN FLYING THE INDIVIDUAL BLUE FLAG

As a recipient of the Individual Blue Flag for Boat Owners I hereby confirm that I will respect the following environmental code of conduct:

I WILL:

- Instantly report spills or other violations of environmental regulations to the authorities
- Always make an effort to recycle
- Use environmentally friendly products to clean and maintain my boat
- Respect federal and provincial fishing regulations
- Respect sensitive and protected areas
- Exercise care when anchoring to avoid damaging the lake, river or ocean bottom
- Avoid disturbing fishing gear
- Encourage other boaters to also take care of the environment

I WILL NOT:

- Throw garbage into waterways or along the coast
- Release sewage into waterways. I will use the sewage pump-out at the marina
- Dump oil, gas or other toxic waste into the water. I will dispose of hazardous waste at a licensed facility
- Disturb birds or other wildlife in the waterways or along the coast
- Buy or use objects made from protected species or from archaeological underwater findings
