MILL AVENUE RECONSTRUCTION (*Community of Zurich*)

The Municipality of Bluewater is currently planning to reconstruct Mill Avenue in Zurich from Frederick Street to John Street North. The project generally includes the replacement of the existing storm sewers and the reconstruction of the roadway including new sidewalks, curb and gutter, and asphalt.

The Municipality of Bluewater wishes to provide opportunity for consultation with all affected residents throughout the project, and for full consideration of opinions and suggestions. You are invited to attend a Public Information Centre on:
