LAKESHORE COLLECTION & SEWAGE PLANT COSTS APPEAL PROCESS

At the April 1, 2019 Council meeting, Council passed the following motion:

“MOVED: Councillor Becker **SECONDED:** Councillor Irvin

THAT Council direct Staff to pursue Option 1 and 2 as outlined in the report entitled, Lakeshore Collection and Sewage Plant Costs Appeal Process for Non Serviceable Properties, and that staff implement the appeal process as described, and vet any additional applications submitted by residents who meet the criteria. **CARRIED.”**

THE APPEAL PROCESS

If after reviewing the **criteria** below, a property owner feels they should be eligible to appeal this charge, they are invited to submit a written appeal that identifies their property and the criteria that makes them eligible for appeal. Appeals must be addressed to Council, care of the municipal office address.

The deadline to make an appeal is May 31, 2019.

CRITERIA

- the property is landlocked;
- the property is located entirely below the top of the lake or ravine bank or zoned NE2;
- the property has had an approved severance and the property has an AG1-1 designation;
- the property is designated as an Open Space Zoned;
- the property is a road;
- the property is not accessed from neither Bluewater Hwy 21 nor Dashwood Rd Hwy 83;
- the provided roll number does not exist;
- the property has been deemed or the roll number is a duplicate;
- the property is designated as a Future Development Zone (FD); or
- the property requires a planning application to be able to obtain a building permit
