

Parking Management Plan: (only required if parking plan can not be shown on overall site plan)
Show parking area only - width, length, partial building, setback to septic system, number of parking spaces, street name, north arrow.

A large grid for drawing a parking management plan. The grid is composed of 20 columns and 30 rows of small squares, providing a space for the applicant to draw the parking area, building, and setbacks.

NOTES: Parking shall be on private property. Parking is not permitted on the front lawn or road allowance. Setback for driveway and parking to septic system is less than three (3) metres.

My street address is: _____
